THE SIZZLING SOUNDS OF SEX

Through the thin wall that separated our apartments came the moans, groans and screams of a lusty bitch in heat

Before I even saw Anita, who lived in the apartment next door, I probably knew more about her than anybody else did.

The apartment building that Anita and I lived in had recently been renovated, and the new walls were made from such thin sheetrock that they might as well have been drapes. Since we shared common bedroom and living room walls, I knew almost immediately that my new neighbor was a young, single woman.

I've never been in the habit of listening ln on other people's business, but in my building eavesdropping was unavoidable. Very quickly, I learned a lot about my neighbor.

Her stereo blasted from the first night she moved in. The TV set in her bedroom usually came on just before midnight. Her preference was for old movies. Since her bedroom was next to mine and I liked to watch TV before going to sleep, I soon found it most sensible to tune in to whatever channel she had on to avoid clashing soundtracks. Many nights, as I sat up in bed watching TV with my back up against the wall, I couldn't help wondering if she was also in bed, her shoulders perhaps inches from mine, thinking of me just as I was thinking of her.

Anita had her phone in her bedroom, and it rang often. Her conversations told me a lot more about her. Her words came through so clearly that before I saw her for the first time, I knew about her job, her family, her interests. And little by little, I learned about her sex life.

Though Anita had no steady boyfriend, she was very sexually active. Many nights she either never came home, or returned so late that I was already fast asleep. I picked up the details of most of her dates while she was talking on the phone with her best friend, Cynthia.

When I ran into Anita in the hallway for the first time, she turned out to be much the same as her voice had painted her in my imagination: fair-haired, 30 years old at the most, with a girlish face and deep, sexy green eyes, her body deeply tanned and voluptuous.

About a month after Anita moved in, I woke up about two in the morning to the sounds of music blaring in her apartment and her loud laughter. I was starting to doze off again when I heard a long, loud, breathy moan. Anita! Seconds later, another groan, even louder than the first. Before long, Anita's

screams were so loud that she might just as well have been in bed with me, for all the good the wall did to muffle her sounds.

My eyes were wide open now as I heard the steady thump-thump of her bed. From time to time I thought I could even hear the slaps of bare flesh against bare flesh. And continually, Anita gasped, groaned, squealed, and screamed in ever-rising passion. She was getting fucked just a few feet away from me. And my cock was rock hard.

Before this I'd never paid much attention to the sounds of sex. But now I was intrigued with them. Her loudest cries seemed to come with the loudest creaks of the bed. I imagined she must have had a huge cock plunging into her pussy! And when she came, there was no mistaking it. She sounded like she was roaring down the first hill of a roller coaster. What a cock-hungry slut she was!

Anita talked almost nonstop during sex. Much of her talk was unintelligible, buried among her moans, groans, and screams. But every now and then she'd blurt something out that would make my cock throb! "Oh, baby, you feel so good. Fuck me deep, baby. I need your cock; it's so great. I've never been spread so wide before. Yeah!"

I had my pulsating cock in my sweaty hand as her bed continued to creak, and her moans rose again to a fever pitch. I started to pull my cock to match what I imagined were the strokes of her lover's cock into her pussy. In short order, I could feel my balls tighten with the load of cum they needed to release. The sounds from the other room increased in intensity. Above it all, I heard Anita screaming to her lover, "Cum inside me, cum in me. Oh god, I feel it, I feel you coming!"

My cock throbbed wildly and I orgasmed in a half-dozen spurts of cum, some of it splashing onto my hairy chest. Next door, the bed creaked lightly and then all was quiet. But before I could doze off, they returned to action, whipping them into a frenzy of desire that didn't peak until close to dawn. And I was right with them every stroke of the way!

In the days that followed, I found it impossible not to think about Anita. Even when I overheard her talking on the phone, her voice seemed charged with sexual desire. As my impatience for a repeat performance grew, I began to hear her voice even when I was in bed with my girlfriend, Cheryl. Once, in the midst of a bout of fucking, I heard Anita's voice talking to Cynthia and I surged to a thunderous orgasm immediately.

About a month after the first incident, Anita returned home with another dude. Earlier in the day, I'd overheard Anita telling Cynthia that she'd been dying to get this guy's dick in her for months. Hearing Anita talk that way had gotten me excited as well. I

unashamedly stationed myself in bed and waited. It seemed like forever before I heard a stirring in her bedroom.

Anita soon began to moan, but her bed was quiet. When her encouragements grew more explicit, I realized that she was having her pussy eaten. I gently stroked my cock and let her cries paint a picture: she was lying on the bed, her hair in sexy disarray, her legs spread wide, her hands on the guy's head urging him deeper into her pussy.

From the sudden change in her sounds, I knew that the dude had stopped eating her and had slipped his cock into her cunt. How wet it must have been after being slurped on! I began jerking my cock more forcefully now, stopping many times when I was on the brink of orgasm in order to make my pleasure last as long as the fucking lovers in the other apartment. Each time my hand returned to my cock, I imagined Anita in a different position—beneath him, on top of him, doggie-style.

Anita and her boyfriend kept their fucking for close to a half-hour, and then the three of us exploded into orgasmic orbits. I tried to keep myself quiet so that I could enjoy their sounds and so that they wouldn't hear me, but a few grunts did escape my lips. But my neighbors were probably too engrossed in their own pleasure to notice.

When I saw Anita the next day, my cock started to swell the moment I heard her voice. I asked her for a date but she declined, claiming another date. When we parted, I knew exactly what I was going to do. I set up my voice recorder in the bedroom.

At about 11:30 p.m., Anita arrived home with her boyfriend of the evening. Either she was extra horny that night or her lover was a man of super sexual skills, because the fury of her moans surpassed all I had heard from her before. The bed creaked steadily for 40 minutes, her screams never subsided, and her urgent sex talk grew ever more desperate.

"Oh, fuck me! Fuck me like that! Fuck me harder! Give it to me all the way!"

This time I came well before her lover did. I waited until their bedroom was quiet, then listened to my recorder from beginning to end on my headphones. The mic had caught every last one of Anita's sex whimpers.

The next night that Anita and I were alone in our apartments, I set up a stereo speaker against her bedroom wall and connected the tape recorder to the speaker. The moment I began playing my recording of her last sexual romp, I heard her TV volume go down. Her wails filled our bedrooms. As I sat on my bed just a few feet away from her, I thought of Anita as naked as I was, listening to her own raspy cries of pleasure.

"Oh honey, you do it so good. You know what I need. Fuck me, baby. Fuck me, fuck me, FUCK ME!"

I let the recording play through once, then rewound it and waited a half hour before playing it again. This time I added some live sound effects as I stroked my rigid cock. I could feel Anita's presence. It felt like we were actually fucking right through the wall! My cum exploded like a geyser just as I heard the now-familiar sounds that told me that Anita was climaxing too.

As I expected, Anita was a good deal friendlier the next time our paths crossed. In fact, she asked if she could have a rain check on my earlier invitation. I suggested dinner the next night, and she agreed.

At dinner she wore tight jeans and a sexy top that showed off her bronzed shoulders. I had trouble keeping my eyes from the deep valley between her tits. As we sat across from each other at the restaurant, her voice was even more arousing face to face than between the walls. Neither Anita nor I played games about having shared our previous round of voyeur sex. It was more like we were long-time lovers rather than two people out on a first date together. I'd planned to take her to my apartment, but we ended up in hers, and I got to enter her bedroom bodily for the first time.

I had to laugh when I saw her bed. It was set against the wall just as I had imagined it!

Anita's clothes were off in a flash. Her flesh was a soft as a baby's ass. When we began to touch, her first sighs sent my cock into instant erection. Quickly stripping off my clothes, I let my hand caress her moist pussy. A few moments later, my hard cock was inside her sopping wet pussy, the bed was creaking, and her blissful cries were echoing in my ears.

"C'mon, baby, let's do it for real. Oh, that's so good. Do it, baby! Fuck me like to you want to! Do it!"

Anita twisted me into about a dozen positions, and her cries told me she was orgasming almost continually as her words became a steady torrent of delicious obscenities. Her screams seems to make the walls reverberate, and her long, painted nails clawed at my flesh. I drilled my cock into her like I had fucked her many, many times before.

My screams counterpointed hers when I came, flooding her squishy pussy with a huge wad of jism. Even after I'd shot my load, Anita's moans didn't stop. Hearing her made my cock grow hard again inside her. As she "talked" me to a second orgasm, I couldn't help wondering if at that very moment there weren't other people in the building listening to us.

My adventure with Anita had a bittersweet ending. After we'd gotten together a few more times, I was beginning to get serious about her. But then she began coming home less and less. The sex sounds from her bedroom ceased almost completely. Finally, she invited me in for a drink one night and told me she'd soon be moving in with a boyfriend.

Yet my experience with Anita taught me to really enjoy the sounds of sex. I'm aware of every sigh and groan, every whine and whimper of pleasure. I've learned that lovemaking involves all the parts of the body—including the ears.

Tera loves to get down and dirty. Her mouth always drives her man crazy! While the sex itself is fantastic, she just can't get enough of the feeling of sucking dick. And she takes it well! After she finishes gulping down his cock, it slips right into her tight pussy. And she knows how to work her body to bring her man the most sensual pleasure.

GET THAT INTO MY MOUTH

No position tires her out, and her libido makes her a force to keep up with. Of course, she has to have her man finish in her mouth. He surely wanted to do it earlier, but holding out till he could pleasure her pussy made her feel that much better!

I just turned 21 and my birthday agenda was to score my first bar hook up! The thrill of being with a stranger is so new to me, and I had to try it out. So I saw this guy and liked the way he looked and spoke to me. I knew he was the one going home with me that night!

COME HOME WITH ME TONIGHT

When we got back to my apartment, we couldn't hold back our wandering hands. I wanted to make him feel special, but I decided to tease him a little. He wasn't allowed to put it inside me! I know, I'm young, but I have the heart of a vixen! I made him finish with just my hands onto my gorgeous body!

App Your Pleasure

I'm not what you might call a "techie" kind of person. So, it took me a while to give the dating apps a try. Even then, the first few times, I had a hard time feeling any real connections with anyone. It was awkward trying to start messages, not really knowing if I would get anything back. Still, the apps let me find different kinds of girls than I met in the bars around the house, so I kept trying.

Raven was one of those girls who I would send a message to but didn't really feel much hope. A designer, tall with deep olive flesh and long, dark hair that seemed to echo her name. To my surprise, she was typing back almost right after getting my message. We started to talk, mostly about this and that, but also about our nerves. She admitted she never knew what kind of guy she was going to meet. The messages kept going, and after a few days, we agreed to meet at my place.

When she got there, I had some soft music playing and we sat and talked for a while. It was as easy as our messages, which relaxed both of us. We had some wine and eventually the topic came around to the dating apps. I admitted how they frustrated me. She pulled out her phone and started to show me how the different apps worked. As she did, I was shocked to see that she wasn't showing me her list of men, but several other women, and each one seemed to be showing more and more in her pictures. I tried to hide my erection and reddening face, but she smiled and me and pulled my hands away, reaching for my already hardening dick. "It's alright," she told me. "Show me which ones you like."

She handed me the phone and undid my jeans, letting my hardened cock out of its cage. "Start swiping," she instructed as she leaned down to start licking the tip of my meat, her tongue flicking along the slit and sending a rush of energy through me. I did as I was told, moving through the pictures on her apps, amazed at how easy she was with this. All sorts of girls passed before my eyes. Red heads showing off huge boobs in tight lingerie, blondes spreading their legs with skirts that barely covered their crotch. An office worker bent over and showing off her ass in a tight thong on her desk. Each time I passed one who caught my attention, I paused, and my dick jumped. Raven noticed each time, smiling up at me, trying to get a glance at who I was looking at, always seemingly pleased with my choices.

Raven worked her way down my shaft, her hands pulling my pants down further so that she could play

with my thick, heavy balls. Once there, she deftly pulled the phone back and changed the app, smiling up at me with her luscious lips dancing over my meat. "Try that one." I looked at what she gave me and came close to shooting right there. The girls on this app weren't even trying to hide themselves. Massive melons fluffed up, legs open wide, fingers playing with themselves. I gasped as Raven managed to swallow all of me and finally put the phone down, looking down at her, eyes going wide to see that she had managed to undress herself before me.

She held my gaze, her smile only growing. "Like what you saw?" she asked playfully, and I shook my head. "I like what I see," I told her. I pulled her up on my lap and let her start brushing her dark forest against me while I admired the perky breasts that pressed into my solid chest. Our lips met and she didn't take long to find a way to slide onto my dick, sending me into fits of ecstasy. She was so tight yet knew exactly how to work a man. Each time she squeezed and loosened, I felt that same wave of passion, each time amplified from the one before.

Eventually, I rolled her on her back, leaning over her and starting to take control. Harder and faster. I pulled her up, raising her ass in the air and plowing deeper. I gritted with pleasure to hear her heavy moans and cries. I loved it. The feeling, the joy, and even the memory of looking at so many with one right here with me. It was that memory that pushed me over and I spilled so much that it pumped back up out of her and down her ass. With a deep moan, she ran a finger between her legs, taking a large amount of my juice, and licking it off. My dick did a jump like it was immediately ready to play again.

Raven and I have been seeing each other now for six months, and she keeps finding new ways to surprise me in bed, all by looking at what others post in the apps.

Eye for Talent

The ad copy, or lack thereof, just mocked me.

At the rate I was going I would never meet the deadline. Working from home had its downside. Too many distractions, I thought. The action on the street outside was much more interesting than the dry drivel on my laptop.

I had never – not once in my thirty years – seen a female driver working for the iconic shipping company. Today's blonde anomaly was a refreshing change of pace. Granted, sitting up here in my second floor flat watching her load a hand truck with packages wasn't going to solve my writer's block, but what the hell . . .

I was entitled to a little eye candy, right?

Masturbatory fuel, I reasoned, to be stowed for those lonely weekends when my girlfriend went out of town. As the head women's soccer coach at a liberal arts college this happened all too often; even during the off season as she often embarked on recruiting trips, some of these taking her halfway across the country.

Still, I couldn't complain.

Distance, as they say, makes the heart grow fonder.

"How's it coming?"

Emma's voice made me jerk. She was stealthy, moving with the nimble grace of an athlete. I often told her that she would make a great cat burglar.

"Not so good," I muttered.

"Oh, I see the problem." Emma peered through the window, shaking her head in dismay. "Can't keep your eyes on your work, huh?"

"Can you blame me? I mean, look at her . . ."

"Yeah," Emma said, "Hilda's something else."

I did a double take. "You know her?"

"Of course; she's my best defender."

Emma told me all about Hilda, a student athlete who worked part time for the shipping company. All the guys, Emma said, were crazy about her. I could certainly see why. She was a serious Scandinavian hottie, a blue eyed/blonde haired goddess. And, Emma added, a fantastic soccer player.

"Well," I said, "she can handle my package anytime."

"Funny, Bruce, real funny. You're a regular comedian."

Thing is, I wasn't joking.

The following weekend found me sitting on the sofa nursing a cold beer, awaiting Hilda's arrival with much excitement.

I had found her profile on a hook up site. After exchanging a few messages – and a naughty pic or two – she had agreed to stop by while making her deliveries.

She was right on time, the rumble of her delivery truck announcing her presence. Moments later I heard her ascending the stairwell. I was up in a flash, opening the door before she had a chance to knock.

Hilda rushed past me, entering my flat with much haste. "So," she said, "this is where my coach lives, huh?"

"This is it," I replied.

"Come on." She unbuttoned her uniform shirt. "I'm on break . . ."

"So much for foreplay," I muttered.

Not that I felt deprived.

Hilda was most charitable with her considerable charms.

She turned around and placed her hands against the wall, standing there like a suspect being frisked by a cop. Golden locks cascaded down her back. Her muscular hips flared enticingly, framing the tightest ass I had ever seen.

"Stick it in, baby. Fuck me good."

I got undressed and moved behind her, burying my face in her flaxen hair, inhaling its sweet scent. Reaching around with both hands, I squeezed her tits, caressing and kneading with deft fingers. Moaning with delight, she arched her back, thrusting her ass into my pelvis, a less than subtle gesture betraying her feverish need.

Hilda wanted it badly. Very badly.

And I couldn't wait to give it to her.

I spread her ass cheeks and guided my prick home, plunging it into her Swedish snatch with a forceful jab. Hilda yelped. Holding her hips, I proceeded to fuck her in earnest, ramming my cock in and out, hammering her hot hole with everything I had.

She was the finest piece of ass I had ever had, easily.

"That's it, baby. Oh, yeah! Make me come!"

Hilda's dirty talk pushed me dangerously close to the edge. My balls brimmed with man sauce. Still, I managed to hold on until after she came in a shivering climax. Then I pulled out and shot my wad all over her ass, spraying those magnificent cheeks with copious amounts of spunk.

I hated to see her go, but Hilda's break was over and she had to get back to work. We made tentative dinner plans to meet again. Then she was gone.

I got dressed, sat on the sofa, and finished my beer, feeling fine about things in general. Writing ad copy wasn't exactly my dream job, but it was a living. And I was truly fortunate to have a women's college soccer coach for a girlfriend, especially one with such a keen eye for young talent.

Kani likes her men older. She thinks they know their way around women much better. So when she was ready to stop her year-long abstinance, she picked a man who wanted to pleasure all of her. She didn't want to hold back – she was ready to try everything with him!

WILL YOU BE GENTLE, PLEASE?

As any good love-making session begins, it's a long soft oral lick and suck. Fucking her mouth and eating her out was just the beginning. Then he puts it in her tight pussy and then into her even tighter ass! His big dick had her squealing and cumming over and over. Definitely unforgettable.

madison

Madison is definitely the bad girl on campus. She knows how and why boys stare at her, wanting a piece of everything she has to offer. That's why she only picks men with the biggest cocks to satisfy her. How could she not dress up in her sluttiest schoolgirl outfit to complete the look?

AM I YOUR SCHOOLGIRL FANTASY?

She says she's always ready to be rocked until she can't think straight. She loves a big cock that can reach the spots her fingers can't. Getting to finish over a real man's cock is definitely a bigger turn on than any of the boys on her college campus.
